Subject: Offer Letter

Dear Rahul Kumar,

1 **Designation and Department**
OfferedDesignation: Full Stack Developer
Department / Functional Area: Software Development

Responsibilities will be assigned based on your skills, expertise and project requirements.

2 **Nature of Contractual Association**
This offer is for a **freelance, contractual and project-based association** with KAK Instant Solutions and does not constitute permanent employment. Assignments depend on business requirements and project availability. **No fixed monthly salary or minimum number of projects is guaranteed.**

3 **Role and Responsibilities**
Responsibilities may include **full-stack development**, developing and maintaining **responsive web applications,** implementing **front-end and back-end functionality**, managing **databases**, and integrating **APIs**. The employee shall perform **testing, debugging, performance optimization, and security improvements** to ensure application quality and reliability. Specific **project requirements, deliverables, and deadlines** will be communicated before each assignment.

4 **Professional Fees and Payment Structure**
Professional fees and payment terms will be agreed upon in writing for each project, including applicable milestones, payment schedules and taxes. No fixed monthly salary is guaranteed unless separately agreed in writing.

5 **Working Arrangements**
You must coordinate with the designated project representative, maintain professional communication, meet agreed deadlines and follow applicable quality and security standards.

6 **Confidentiality**
You must protect all confidential company and client information and must not disclose or misuse it without authorization. This obligation continues after the association ends, as applicable under the agreement and law.

7 **Intellectual Property and Ownership**
Ownership and usage rights for project deliverables, source code, designs and documentation will be governed by the applicable project agreement and relevant law.

8 Professional Conduct
You must maintain professional standards, use authorized resources responsibly, comply with applicable laws and avoid unauthorized commitments on behalf of KAK Instant Solutions.

9 Professional Association and LinkedIn
You may update your LinkedIn profile to accurately reflect your **contractual association** using the approved designation. Your profile must not misrepresent the arrangement as permanent or salaried employment.

10 Duration and Termination
The association begins upon offer acceptance and completion of applicable onboarding requirements. Either party may terminate the association with **[15 days] written notice**, subject to the agreed terms and applicable law. Outstanding payments and existing obligations remain unaffected.

11 Registration and Onboarding Fees
KAK Instant Solutions does not charge any registration or onboarding fees for this contractual association.

12 Acceptance of Offer
Please sign and return a copy of this offer to **recruitment@kakindia.in** by **10-11-26.** Project scope, deliverables and payment terms will be confirmed in writing before work begins.

We welcome you to the KAK Instant Solutions professional network and look forward to a productive association.

Yours sincerely,
